Schools Division Superintendent
Basco, Batanes

Dear Sir:

Greetings of good health, peace and solidarity!

The Department of Health-Cagayan Valley Center for Health and Development (DOH-CVCHD) and Provincial Health Office will be conducting a 5-day Training on Basic Immunization with Cold Chain Logistic Vaccine Management (CCLVM), Interpersonal Communications for Immunization (IPCI) and Reaching Every Purok (REP) Strategy Training on **November 4-8, 2024 at Pension Ivatan Basco, Batanes.**

The objective of this training is to equip healthcare workers and other stakeholders with the necessary knowledge and skills to administer new basic immunizations with CCLVM, IPCI and REP Strategy effectively. This is critical step towards improving the overall health and wellbeing of our community, particularly in the fight against Vaccine-Preventable Diseases.

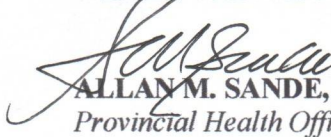

Anent to this, may we respectfully request **Mr. Grentt Dale A. Calosa, Ms. Kathleen E. Gasilao, Ms. Karen P. Baldomar** to attend the said activity.

Their participation in this training will be immensely beneficial. Their involvement will not only enhance their own competencies but also contribute significantly to the broader effort of improving public health in our province.

Our staff, Ms. Rizalyn Faith D. Avanceña, Provincial Immunization Program Coordinator will respond to any concern that you may have regarding the matter. She may be reached at 0999-6754-384.

Thank you for your continuous support as we fight together in protecting children against Vaccine Preventable Diseases!

Yours for better health services,

ALLAN M. SANDE, MD
