Sir:

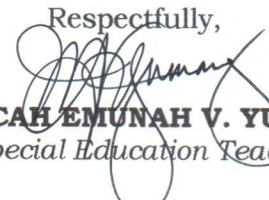

Greetings from Basco Central School!

In line with the school's project: ARTIST (Awareness Raising Through Integrating Students with Special Needs Talents), and the celebration of National Arts Month this February, we would like to conduct an art session for three consecutive Fridays this coming month February for our learners from the Special Education Program and chosen learners from the intermediate level. Our learners will be exposed to different art techniques in partnership with Creative Hub and The Jorge Aurora and Pacita Abad Memorial Foundation Inc. Their output will be collated and displayed at the end of the month. This exhibit will continuously promote and highlight their capabilities inside the school. In addition, significant community partners will be invited to be part of this endeavor.

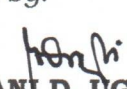

The activity comes in threefold: (1) Exposure of the learners to different art techniques and approaches, (2) an Art Exhibit to create awareness of the skills and talents of the SPED learners and the identified learners from the Gen Ed class. (3) Promotion of Arts in the school and community.

With your approval, we would like to conduct this meaningful activity with our learners. Thank you, and I would like your support on this matter. Attached in this letter is the program matrix for this activity.

Respectfully,

  
**MICAH EMUNAH V. YUMANG**
