30 January 2025

ALFREDO B. GUMARU JR. EdD, CESO V
Schools Division Superintendent
Division Office of Batanes
Basco, Batanes

Sir:

Greetings from the Agriculture Department!

We are elated to inform you that the Batanes State College, through the Agriculture Department, will be conducting a Feasibility study on Offering a **Bachelor of Science in Fisheries** program. This is in line with the vision of the college of promoting quality, accessible, and future-ready academic programs that reflect the Ivatan cultural heritage.

In this regard, we respectfully request your permission in conducting a survey among High school students in the province, including both Senior High and Junior High students. The survey aims to determine their interest and gather insights regarding the proposed program.

Furthermore, we kindly seek the assistance of your office in disseminating the survey link or QR code to the intended respondents. The survey can be accessed through this link:

Thank you very much for your kind attention and assistance. We look forward to your favorable response.

Respectfully,

XINA V. VINALAY, MBA
Department Chairperson
